# *President's Report . . .*

To the Members.

Ladies and Gentlemen:

On behalf of the Members of the Council of the Tweddle Baby Hospital we have pleasure in presenting our Fortieth Report, which covers a period of steady progress, both on the Hospital and training sides of our work, and during which the improved facilities of the new hospital block have been fully available. The playground section for toddlers has also been completed and meets a long-felt need. The full service we aim at providing for the better health of mothers and babies in Victoria cannot, however, be achieved until the latter stages of the rebuilding operations are put in hand. To this end the continuing financial help of all our members and supporters is essential so as to reach the objective of our earlier Appeal, and a further £15,000 is needed.

We desire to thank the Government of Victoria, the Minister of Health and the several Departments and Commissions under his control for the part that they continue to play towards confirmation of the new Babies' Hospital and Infant Welfare and Mothercraft Training School, which will be both a credit to the State and a valuable adjunct to its health services generally.

To our Honorary Medical Consultants, to Matron and her Staff, whose interest and untiring efforts make possible the community service detailed later in this Report, we extend our grateful thanks and sincere appreciation. To members of Auxiliaries we say thank you for another year of loyal support and ask for intensified efforts from them during the coming year to help finish the job upon which all of us have set our hearts.

BENA ANGLISS, President.

JOHN P. FANNING, Hon. Secretary.

I wish to sincerely thank the office-bearers and members of the Council for their wonderful assistance to the Hospital and their regular attendance at meetings during the past year.

BENA ANGLISS.

# Matron's Report . . .

The 30th June, 1960, brings us to the conclusion of a successful year at "Tweddle"—the mothers have greatly appreciated the Toddlers' Wing (for the 18-month to 3-year group) for the daily service for their children as well as the residential service when mother is in hospital.

**MOTHERS AND BABIES:** 145. Mothers who were able to visit for educational purposes has been a daily average of two (2).

**BABIES ADMITTED:** 227.

**IN RESIDENCE, 30/6/1960:** MOTHERS AND BABIES 1.  
BABIES 13.

During the year fourteen (14) Infant Welfare Students presented for State Final Examination and were successful.

**MOTHERCRAFT NURSES:** Ten (10) obtained Hospital Certificates and State Registration.

We were pleased to welcome students from The Royal Children's Hospital and Footscray District Hospital and the College of Nursing, Australia, as observers—their visits were of educational value.

**MECRAFT HOSTEL — "INVERGOWRIE":** 75 students obtained the Certificate and were a very interested group.

**ROYAL AGRICULTURAL SHOW:** The Clinic has been very busy and a help in many ways to mothers during their visit to the Show.

Heinz Co., Carnation Milk Co. and Nicholas Pty. Ltd. donated most generously the necessary foods, etc. Thanks to them all, and also the personnel who so willingly helped during the ten (10) days.

Appreciation and thanks to the Pediatricians who lecture the Students and Mothercraft Nurses, also the Staff at the Maternal and Child Welfare Department for assistance in many ways.

The Infant Welfare Students and Mothercraft Nurses join with me in expressing sincere appreciation for the help and ever ready co-operation from our lecturers during the year.

Christmas was a very happy time for everyone. Thanks to the organizations and individuals who were so generous with flowers and gifts, and to Miss Rosenberg and helps for an excellent Christmas dinner.

May I conclude by saying "Thank You" to our President, Lady Angliss, Members of the Committee and all Staff Personnel for their co-operation and help.

EVELYN GRAHAM, Matron.

To the Members.

Ladies:

On your behalf we have pleasure in presenting the 31st Annual Report.

The events of the past 12 months have been fairly well in line with those of previous years in that a number of functions have been held to raise funds for maintenance and the Building Fund.

As before, members participated in selling buttons at the Windsor and Menzies on the major Street Appeal days — those helping included Lady Angliss, Mesdames Ashley, Cronin, Davis, Dodgshun, Economou, Hall, Nisbet, Price, Sennitt and Miss Angliss.

In addition to the Street Appeals, which returned approximately £109, various functions were held including a luncheon at "Greystones," Bacchus Marsh. This gala day netted £116. A barbecue was held at the Kew home of Mrs. L. M. Cronin, at which approximately 200 people attended; £171 was received. The third principal function for the year was an Afternoon Parade of furs and model hats by courtesy of Renee and Greta Becker, held at the home of Lady Angliss, from which the Auxiliary derived a further £99.

The Committee was unhappy to lose the able services of Mrs. Alice Hall as Honorary Secretary. Mrs. Hall has given wonderful service for a considerable time past. The Committee and all associated with the Auxiliary express their sincere appreciation of all her fine efforts. Mrs. L. M. Cronin has undertaken to act as from the date of Mrs. Hall's retirement from office.

We would thank sincerely all members and their friends for their willing help and co-operation which have made the past 12 months a typically successful year in the life of the Auxiliary.

MAY ANGLISS, President.

BON CRONIN, Hon. Secretary.

In presenting Balance Sheet to June 30th, 1960, we have to say our only activities were afternoons for cards.

We would like to thank various donors to our funds.

## 29th ANNUAL MEETING

President: R. Cameron

Secretary: C. Lambrecht

Treasurer: A. Beeroft

We have now been working in the bright, pleasant conditions of the New Hospital Block for the past twelve months. Early in the year, we were able to give to the Hospital one hundred and fifty pounds (£150) towards the stainless steel equipment that was necessary to complete the new wards; this left us with only a few pounds in the bank, but a great incentive to climb the ladder again.

We participated in "Wattle Day" last August, collecting from the local factories and in the main shopping centre of Footscray. We thank the girls from the Footscray Girls' School for again giving us their support by selling buttons at school.

Collecting at the gates of the Football Ground proved very profitable and well worth braving the cold winds. We thank the Footscray Council for their continued support by allowing us to collect on three occasions during the season.

Our usual CHRISTMAS STALL was held in December. Mr. Joe Thompson gave us his valuable assistance in selling the goods to Saturday-morning shoppers. We had well-stocked tables and thank the various firms for their support: Dyecrafts, Dickies Towels and Myer's for materials; donations of goods from Davies Coop, Payne's Bon Marche, George's, Kraft, MacRobertson's, Hunter's Industrials, Metters, G. J. Coles and T. B. Guest. Cheques were received from General Motors-Holden and Schutt & Barrie.

We sent out a CHRISTMAS APPEAL again this year to parents of babies in residence during the past year and to past nurses; the response was well worth the high cost of postage. We thank all those who so generously gave to the Appeal.

Special thanks for the beautiful Cowboy Outfit that was donated — with the proceeds from this effort we were able to purchase a Canvas Wading Pool — and how the toddlers enjoyed it during the summer! Later in the year we had a Baby's Hand-knitted Shawl.

With the success of these activities, we were able to credit two hundred pounds (£200) to our Building Fund Account and have had the sitting room chairs repaired and re-covered.

We thank Sister Brennecke, who gave a great deal of her time to filming and developing the demonstration rosters, so that they could be preserved in the form of slides.

I would like to thank Nurse Elizabeth Millear for her enthusiasm as Secretary for most of this year, and wish her every happiness in the ranks of the past nurses; and to Matron for allowing us to have our monthly meetings in the lecture room in evening duty hours and for her support and encouragement in all our activities.

R. CAMERON, President.

## 14th ANNUAL REPORT

Office-bearers for the year:—

President: Miss H. McKellar

Vice-Presidents: Misses Doig and Carr

Secretary: Miss W. Beveridge

Assistant Secretary: Miss Grist

Treasurer: Miss I. Brennan

Social Convenors: Misses H. Binks and M. Rowalle

Committee:

Mesdames Anderson, Burke, Tucker and O'Connell,  
Misses Cannon and O'Connor

It is with pleasure we present the 14th Annual Report.

The 13th Annual Meeting was held on Saturday, June 2nd, at the Nurses' Memorial Centre, there being a record number of members and interested friends present.

The retiring President, Miss McKellar, occupied the chair and welcomed the guests. Special mention being made of Mrs. and Miss Coxan, Senior Constable and Mrs. Coysh, Misses McPherson and Poulson, Mrs. Patterson representing the Footscray Auxiliary, Miss Cameron the Primrose Auxiliary. Posies were presented by the President to special guests.

Among those who sent apologies were Lady Angliss and Miss G. F. Graham.

Mrs. Coxan took the chair for Election of Officers.

Senior Constable Coysh gave an informative address, illustrated with a film. Afternoon tea was served in the lounge. The Opportunity Stall, well packed and patronized, netted a very considerable sum towards the funds.

### **QUARTERLY MEETINGS:**

**September Meeting** held in new Lecture Hall at Tweddle. Miss Hicks gave an amusing and interesting talk of her trip abroad.

**March Meeting** held at Nurses' Memorial Centre. After the usual business session members were entertained with games, and opportunity was taken to tender our good wishes to Sister A. Anderson for a happy trip overseas and a safe return.

Committee meetings have been held regularly at East Melbourne at Misses Beveridge and Binks' flat. We are once again indebted to our friends for their gracious hospitality. Business and pleasure are combined.

Regular reports of the work of the Hospital are supplied by Matron Graham.

## SOCIAL EVENTS AND ACTIVITIES:

Sale of Wattle Day Buttons was once again successful.

Royal Show Members of the Auxiliary willingly assisted at "The Tweddle Mothercraft Rooms."

Toonalyn Players gave a successful concert at Footscray and donated the proceeds through the Auxiliary to the Building Fund.

**Marching Girls' Display:** This was arranged by Mr. and Mrs. Burke and was a very colorful display held on Footscray Oval. We are grateful to all who gave so freely of their time.

A Theatre Night arranged by Miss Rowalle added to the funds.

A Max Factor Night, held at the home of Mr. and Mrs. Burke, was a very enjoyable evening; also a Picture Night was given by our same friends in Central House.

Highlight of the year was the opening of the New Hospital by Lady Slim. Speaking at the reception, Sir Kingsley Norris, Chairman of the Appeal Committee, said that we have the most up-to-date hospital of its kind in the world. This should indeed make us all feel very proud.

**Annual Picnic:** This outing has become one of our most popular fixtures. This year we travelled to Tanoonanong Reserve. A truly delightful spot where fun and fellowship flowed along with the usual sumptuous repast.

**The Christmas Dinner,** held at the Nurses' Memorial Centre, lived up to its usual standard and was voted the best yet.

## SUNBALL DONATION:

We were fortunate in receiving a cheque for £100 towards the Building Fund from this Charitable Pool.

Along with money channelled through the Auxiliary for the Building Fund we were asked to present a cheque for £100 towards maintenance of the Hospital.

To all who have helped to make this year so successful we tender our grateful thanks and look forward to the days ahead with confidence.

WILMA BEVERIDGE, Honorary Secretary.  
HILDA McKELLAR, President.

## *Building Development*

During the year much preliminary work has been done towards the actual building of Stage II — Kitchen, Dining-room and Stores-block, and Stage III — the Nurses' Home — to accommodate increased numbers of trainees and augmented hospital staff. The additional land in Sydney Street required for Stage III has been resumed by the Government for the purposes of the Hospital, and now awaits clearance of old disused buildings, large trees and overgrown garden sections. Discussions have taken place with the Melbourne & Metropolitan Board of Works regarding easements to provide for future drainage plans.

Since the close of the financial year several tenders for Stage II were received and, with the approval of the Hospitals & Charities Commission, the contract has been signed for completion of the work within 30 weeks from late October, 1960. Subject to the availability of finance, it is hoped to be able to follow on with Stage III during 1961.

Thus the Council of the Hospital is proceeding as rapidly as possible with its plans to make the Tweddle Baby Hospital a modern centre for child care and training.
