# *President's Report . . .*

To the Members,

Ladies and Gentlemen:

We have pleasure in presenting our Forty-third Annual Report which records a year of broadening and developing service to the Mothers and Babies of Victoria. Our rebuilding programme which commenced in 1958 is nearing completion. The new Nurses' Home is in use and provides very comfortable living conditions for our trainees and nursing staff. We would welcome the assistance of members in building up the new library, which caters for both the training and recreational needs of those in residence. The Matron's Cottage will be available to her in October. The old Nurses' Home has been remodelled and the grounds of both homes put into good order. The final block on the Hospital site for Mothers and Babies in residence is expected to be finished by Easter, 1964.

The increased facilities and up-to-date buildings will relieve Matron and her Staff of many problems and difficulties with which she, in particular, has coped so successfully and cheerfully for so many years, and will greatly assist our Honorary Medical Consultants in their invaluable community service.

During the year, the members of your Council have grouped themselves into two working Committees covering respectively the fields of Finance and Administration with Mr. Fanning as Secretary-Manager of the Hospital and of Public Relations and Auxiliaries' activities, and we are all very grateful to every one who has helped so splendidly over the years.

We desire to thank those members and friends of the Hospital who responded to our appeal for £20,000 last year. We will continue to be dependent upon the goodwill and practical help of everyone in the community who appreciates the value of our work both in the Hospital and Training School and desires its increasing effectiveness.

BENA ANGLISS, President.

J. P. FANNING, Secretary-Manager.

# *Matron's Report . . .*

During the year there have been many changes in staff accommodation and it was with great excitement and delight that the day of the big move from the Old to New Nurses Home arrived. Single rooms, separate lounges and laundry and all the luxury of a Television Room and Library. Each unit has all conveniences and is greatly appreciated by all who are in residence.

Mothers and Babies in residence are now in the Old Nurses Quarters which have been re-painted and are quite suitable until the New Mothers and Babies Wing is completed.

Eighteen Infant Welfare students have completed the 4 months course and State Registration. Two interstate triple certificated Sisters have been in residence for a month for the purpose of refresher course. We also had four interstate registered Mothercraft Nurses who have to be one month in residence for the purpose of registration in Victoria and being conversant with the methods of feeding infants and pre-school children.

I would like to take this opportunity to convey many a "Thank You" from students in appreciation of the pleasant working conditions and residence and to the personnel who have been a great help by "Smiling Through" to many adversities. I personally know you all share the feeling of satisfaction in this, the completion of another stage of Tweddle Baby Hospital.

EVELYN GRAHAM, Matron.

Ladies,

On your behalf we have pleasure in presenting the 34th Annual Report of Central Auxiliary's activities for the year ending June 30, 1963.

To the new members Mesdames R. E. Alcock, J. E. Grey, C. Horbeck, E. L. Jarvis, K. V. Newman and C. Redman we extend a warm welcome. Already they have proved most helpful.

During the absence of our President Miss May Angliss, Mrs. Z. Economou has kindly carried on as Deputy President for the past six months most ably.

Many members gave their services on the Street Appeal days, Wattle Day, Hospital Day, and Flower Day to supplement our income. Those taking part included Mesdames Hall, Jarvis, Alcock, Newman, Horbeck and Cronin.

On October 3rd Mrs. J. E. Grey kindly made available her home for a luncheon followed by a Hat Parade by courtesy of Mr. Individual, from this function we raised £151/2/0. A further £212/12/1 was raised at a Barbecue at the home of Mrs. L. Cronin in March. A Brunch was held at Miss Beeton's home in Toorak Road followed by a talk given by Miss Elly Lukas. On this occasion we made £60/6/9. Towards the end of 1963 we hope to have another luncheon and display of flower arrangements. Members have been working keenly for a Christmas Stall which we will have at this function.

The help given by all members and friends during the year is very much appreciated and we hope for their continued support for the coming year so that the Auxiliary may continue its activities to help Tweddle.

## 32nd ANNUAL REPORT, 1963

President. Matron E. Graham.

Secretary: Nurse E. Knight.

Treasurer: Nurse L. Allen.

This year has brought a change in residence for Mothercraft Nurses, Infant Welfare Students and all staff members, when they moved to the William Angliss Nurses Home with all the comfort and modern conveniences. They all wish to express their sincere thanks and appreciation to the folks who were responsible for such a lovely residence.

Wattle Day and Football Collection days were very satisfactory and with donations from the home efforts of our staunch supporters we have now been able to transfer £400 to the Tweddle Hospital Building Fund.

Wool has been purchased and Mrs. Roulston, mother of one of the Past Nurses has knitted dozens of cardigans, jumpers and pixie caps for the toddlers.

Auxiliary members are so grateful for all that has been done in their interests by the Committee they are now making the Mothers and Babies Wing equipment their object for 1964.

E. GRAHAM, President.

E. KNIGHT, Secretary.

## 17th ANNUAL REPORT, 1963

With much pleasure we present this Annual Report.

The 16th Annual Meeting held at the Nurses' Memorial Centre, St. Kilda Road, was opened by Miss Beveridge, President.

All guests were welcomed with special mention to Lady Angliss, Mrs. and Miss Coxan, Miss Davies, Miss Hancock and our guest speaker, Miss Beryl White.

The Meeting was well attended, about 40 members being present. Apologies were received from 18 members.

Several letters of good wishes were read and a number of donations and gifts for the stall were received. The stall is always well stocked and patronised which helps our funds considerably.

A cheque for £200 was presented to Lady Angliss for the Tweddle Baby Hospital Building Fund by Miss Brennan.

Lady Angliss took the Chair for the election of Officers — the following were elected.

President: Mrs. Wilkie  
Vice-President: Miss Beveridge  
2nd Vice-President: Miss Binks  
Hon. Secretary: No appointment made  
Asst. Secretary: Mrs. O'Connell  
Treasurer: Miss Brennan  
Social Convenor: Mrs. Burke

### Committee:

Mrs. Anderson, Misses McKellar, Carr, Cannon, with power to add.

At the conclusion of the meeting Miss Beryl White from the A.B.C. delighted us with an animated talk and demonstration "Let's Make Music", depicting the importance of music and rhythm in the life of a child. Appreciation was acclaimed by all members.

Miss Beveridge thanked Miss Beryl White on behalf of the Auxiliary.

Afternoon Tea was then served.

## BUSINESS

Our Annual Picnic was held at "Greystones" the beautiful country home of Lady Angliss on November 10. It was a most enjoyable day. Many, many thanks to Lady Angliss who again so graciously opened her home to us and made us so welcome. This was a very profitable day both socially and financially.

During the year two Theatre Nights were held at the "Music Bowl".

Christmas Dinner (always the highlight of the year) was held at "Berkeley Hall", Princes Street, St. Kilda. It was again well attended and a great success.

Many original and wonderful creations were worn in the "Hat Parade", causing much merriment. The winner was Miss McKellar.

The stall proved a great success and a special prize was given for the most appropriate "Christmas Gift".

Our sincere thanks to Mrs. Coxan who each year donates a lovely Christmas Cake to be cut at the dinner, which is very much enjoyed and appreciated by all. Our grateful thanks also to Lady Angliss for the chocolates. To Miss Coxan who knitted and donated a delightful "French Poodle" to be disposed of for the funds, and to Miss Harriott for the beautifully dressed Doll donated for competition and won by Lisa Jamieson.

Committee and quarterly meetings were held regularly.

To Miss Binks we extend our special thanks for the use of her flat.

The March Quarterly Meeting was held in the form of a Picnic at "Penny-croft", The Basin, the picturesque hillside home of Miss Wilson and Miss Bastow to whom we extend our sincere thanks for their generous hospitality. This proved a most enjoyable and again, a profitable day.

Although not shown in our books, it is through the efforts of the Plunket Auxiliary that £1,250 was received by Tweddle Baby Hospital, from Wealth Words and a further £50 from Sun Ball.

We are indeed grateful to Miss Rawalle, who has always been a "tower of strength" to the Auxiliary, for continuing as Hon. Secretary for six months after the last election of Officers. Mrs. O'Connell has since filled this vacancy most ably with the assistance of Miss Rawalle and Miss Carr.

Miss McPherson has honoured us by accepting an invitation to become a Life Member of the Plunket Auxiliary.

Many thanks to all members who have so willingly and pleasantly helped us to make our meetings and functions such a success, and with your help we will make the coming year a most memorable one socially and financially.

MRS. WILKIE, President.

MRS. O'CONNELL, Asst. Secretary.
