President's Foreword

Continuous and sustained effort by all concerned with the efficient operation of the Hospital and Training School enables me to report another year of rewarding service to the Mothers and Babies of Victoria. To our many devoted helpers within and without the confines of the Hospital I am most grateful. The ever-widening scope of our activities and services is their reward as, indeed, it must also be for those who have so generously contributed to our operating costs by corporate or personal donations. To one and all, I again extend my warm thanks.

BENA ANGLISS

President.

Matron's Report

The Hospital report for the year ended 30th June, 1967 is one of interest. The year has been busy — care of the children was most rewarding, as this has been done by co-operative and interested staff members in all sections of this worthwhile work.

SOCIAL WELFARE, FAMILY DIVISION

The ward of eight cots is always occupied. Twenty babies have been adopted, aged from 1 to 3 months, and many are awaiting adoption. These babies are in residence up to three months.

ALLAMBIE RECEPTION CENTRE

Children from the older age group remain until passed fit for adoption or fostering.

DAILY AVERAGE

Eight.

MOTHERS AND BABIES WING

Many mothers have appreciated the service given.

MOTHERCRAFT APPLICANTS

Many applications were received for the Course. Educational standard is now Intermediate, with a pass in English and Arithmetic.

MOTHERCRAFT GRADUATES

Twenty-two students have passed Hospital and State Registration Examinations. Many are working in Queensland, Canberra and Tasmania. Two are overseas.

PRE-SCHOOL COURSE

Two students accepted bursaries and passed with credit examinations.

INFANT WELFARE STUDENTS

Twenty students obtained Hospital and State Registration Examinations. Two students from Tasmania are now in charge of Mothercraft Training School in Launceston, Tasmania. Three students came from Singapore Health Department.

VISITORS

"School Career Week" brings many visitors from country schools for the day. Age group is 14 years. Suburban schools visited frequently, and church social clubs. With these visits, many toddlers' garments are donated. Seymour High School Girls' Social Services contribute clothes and money toward a cot.

AUXILIARIES

\$2700 was contributed to the Endowment Fund. Nurses assist with "Wattle Day" collections and the making of toddlers' clothes.

STAFF

My personal thanks to them all for the assistance and co-operation during a busy period.

E. E. GRAHAM,

Matron.

***Report* OF THE FINANCE AND ADMINISTRATION COMMITTEE**

It is pleasing to record another satisfactory year, both in achievement of our objectives and in the receipt of adequate funds to cover running costs. Close supervision of all aspects of our work has been maintained by the individual and combined efforts of every member of the Committee. Special attention has been given to the upkeep of the Hospital buildings and plant. The steady growth of the Endowment Fund has been an encouraging feature and gives promise of ultimately providing for the annual costs of property preservation. The work of Matron Graham, Sister Ballard and the Staff continues at the very high standards we have come to expect of them.

To our Honorary Medical Consultants and Lecturers we again offer our grateful thanks. We are greatly indebted to Dr. Glyn White for his additional invaluable help as a regular member of the Committee. The watchful oversight of patients' fees receipts by our Honorary Treasurer and Secretary-Manager and their assistant, Mrs. McDonald, has greatly assisted the satisfactory financial outcome of the year's operations.

A. S. H. GIFFORD,

Chairman.

Pictured is the new type of safety cot which was designed at the hospital. It permits toddlers to get in and out without risk of "over-the-top" falls.
