President's Foreword

The successful continuance of our Training School and the dietetic care of mothers, babies and toddlers carried on by our Hospital would not be possible without the many friends of "Tweddle" and their devoted service, whether in Auxiliaries and Committees or by generous regular donations or both. As President, I count it a privilege to enjoy such wholehearted and dedicated support. The work is so eminently worthwhile and indeed brings its own reward, but I do wish one and all to accept my sincerest thanks. I cherish the hope that together we can still further promote our prime objective since 1920 — the health of Women and Children in Victoria.

BENA ANGLISS,
President.

Matron M. N. Ballard

Matron's Report

Another happy and interesting year has been experienced by all Staff and Students at the Training School.

Infant Welfare Course: The Students doing this course have shown great interest throughout, and it is indeed a pleasure to report these results for 1968-69:

July, 1968: Miss E. WILSON gained highest marks at the State Examination.

November, 1968: Miss E. HALL gained highest marks at the State Examination.

February, 1969: Miss M. CARROLL passed with distinction, the State Examination.

June, 1969: Miss T. McCORMACK gained highest marks at the State Examination.

Refresher Course in Infant Welfare: During 1968-69, the following people completed refresher courses in Infant Welfare:
Misses AVERY and HERMAN,
Mesdames HART and TAVNER.

Mothercraft Nursing Course: Students doing this course have applied themselves well in all aspects of the work with mothers, babies, toddlers and pre-school children.

I am delighted to report that Misses Anne RONBERG and Nora KEMPSTER, two part-aboriginal students who have won Edith Grylls Scholarships through "Save The Children Funds", are in their eighth month of training. Both girls plan to return to Alice Springs on completion of the course.

I am pleased to report that the following students gained distinctions at the State Examinations in July, 1968, November, 1968 and March, 1969:

Misses B. ENGLEFIELD, N. SWAFFER, F. MADDEN and C. WILSON.

Mothercraft Nurses in training collected on four consecutive Saturdays at the football — result, \$110.89. Also, on "Wattle Day" during Child Care Week, with the result, \$125.39.

Primrose Nurses donated a measure board for the Toddlers' Section.

The following girl guides came to "Tweddle" to complete part of their course for the Queen's Badge:

July, 1968: Miss Sandra Richardson; May, 1969: Miss Betty Nelson.

Mothers, babies and toddlers have come for different reasons to this hospital throughout the year. It has in-

deed been a pleasure to have helped these folk in some small way. It is also very interesting to note that we have cared for not only Australian, but Greek, Italian, Turkish, Maltese and Israeli children.

Thirty-three babies have been adopted and four children fostered from the hospital this year. It is a joy to see these little ones going into loving homes, and an even greater joy to see these children returning to visit us at a later date.

We were delighted to welcome the following visitors to the hospital from July, 1968 to June, 1969:

Dr. A. E. Wilmot, Dr. L. Sans and Dr. E. Stewart, from the Department of Health.

Dr. Sinha — World Health Organisation.

Miss Sakornpan — Chief Public Health Nurse from Bangkok, Thailand.

Miss G. L. Lim — Trained Nurse from Penang.

Miss Lui — an exchange student from the Philippines.

Miss B. Sweeney and Miss L. Ruddleston — Mothercraft Nurses from "Karitane", New Zealand.

Fourteen girls from Moe, Sale, Maffra, on the "Train of Knowledge" organized by Rotary.

Eight ladies from the Baptist Ladies' Guild.

Mr. Terrens and 20 of his students from Rosanna Golf Links State School.

May I express my sincere appreciation to the following people for their co-operation and support at all times:— Lady J. Angliss, The Committee of Management, The Council, Medical Staff, Lecturers, Mrs. McDonald, Trained Nursing Staff and Students in Training, Domestic Staff and to the generous donors of so many different kinds of gifts for the work with our mothers, babies and toddlers.

M. N. BALLARD,

Report OF THE FINANCE AND ADMINISTRATION COMMITTEE

The Committee with the unfailing co-operation of Matron Ballard has continued its regular oversight of the administration of the Hospital and its finances. Thanks to an increase in both private donations and Government grants the serious problem of rising costs has been minimised, enabling all our services to patients and trainees to be fully maintained.

This year our Honorary Treasurer, Mr. H. W. Webb, completes with great credit 17 years in that vital position. One of our Honorary Consultants who gives lectures and also looks after the dental health of patients, staff and trainees — Mr. R. J. Smithwick — has given 11 consecutive years of service. To both we express our grateful thanks and sincere appreciation of their efforts.

The Endowment Fund is mounting slowly, but needs substantial additional support to achieve its required target objective. At present the annual interest earned is augmenting the capital of the Fund, but eventually it will be used for the maintenance of our buildings and equipment in an up to date and sound condition.

A. S. H. GIFFORD,
Chairman.
