President's Foreward

It gives me great pleasure to record that our fifty-first year has maintained the high standards of past years both in the services rendered to mothers and babies and in the examination successes of our Infant Welfare Sisters and Mothercraft Nurses trainees.

Our first Graduation ceremony, as detailed in this report, was a very happy occasion, graced by the presence of Mrs. J. Rossiter, (wife of the State Minister of Health), who distributed the Certificates to the successful students.

To all who by personal services or generous donations have supported our valued community undertaking I extend my heartfelt personal thanks.

Bena. Angliss

President.

Report of the Finance and Administration Committee

The work of the Committee in promoting the efficient operation of our Hospital and Training School has been greatly assisted by the willing and efficient co-operation of Matron Ballard, Sister Clark and members of our Hospital Staff. We are also greatly indebted to our team of medical consultants and, in particular, to Dr. J. Glyn White who as a member of the Committee has proved a tower of strength in our regular monthly deliberations.

The heartening support of our regular donors, together with increased Government grants, has enabled us to cope with higher operating costs whilst the continued growth of the Endowment Fund has provided income to assure the essential maintenance of our buildings, plant, furnishings and training aids.

The demand for our community services has grown throughout the year, and we look forward with confidence to another year of worthwhile effort in the interests of the Mothers and Babies of Victoria.

Matron's Report

The urgent need for Child Care has increased even more over the last year, and it is extremely interesting to look back and note the many reasons why mothers, infants and toddlers have come to "Tweddle".

The Staff and I have enjoyed caring for these folk and trust that in some way we may have assisted them along life's way.

THE INFANT WELFARE COURSE:

The students continue to be most interested in this branch of nursing, and the results at the State Examinations have been very pleasing.

THE MOTHERCRAFT NURSE COURSE:

Many applications continue to come in for this course. The demand for trained Mothercraft Nurses is still high. Quite a number of our trained Mothercraft Nurses are working interstate and in the United Kingdom, as well as Victoria.

Mothercraft students collected in Footscray on "Wattle Day" for "Child Care Week" and a sum of \$131.80 pleased all who participated.

The Plunket Auxiliary (trained Infant Welfare Sisters) enjoyed a delightful luncheon at "Benbow", the Frankston home of Lady Angliss, last October.

This Auxiliary held its Annual Dinner at Berkeley Hall in December. Lady Angliss attended and expressed her thanks to the Auxiliary for the wonderful work they are doing for "Tweddle".

The Central Auxiliary held its December meeting at the Windsor Hotel. Lady Angliss was in attendance and thanked the Auxiliary for their unfailing support to "Tweddle".

DONATIONS:

The generosity of many kind folk continues to flow on at "Tweddle". We are indeed extremely grateful to so many people for their interest and support.

These donations have come in so many different ways — from people's time, their talents and money to such things as toys, clothes, prams, fruit, an electric bottle brush and striped canvas blinds.

CHRISTMAS DAY, 1970:

This was a very happy day, due to the generosity of many kind people.

Lady Angliss visited the hospital on this special day. Father Christmas obliged again and performed his duties even better than in previous years.

The following donated toys for the children:—

The Sun Toy Fund.

Footscray Tramways Board Social Committee.

Thos. Borthwick & Sons Social Committee

British Leyland Motors.

Girl Guides and Brownie Groups from

St. Albans, Yarraville, Williamstown, Spotswood and East Keilor.

Christmas Dinner was enjoyed by all — the "Tom Turkey" was very tender!

We were indeed delighted to welcome the following people to "Tweddle" throughout the year:—

Her Imperial Highness, The Princess Mikasa of Japan. The Princess was accompanied by:—

Mrs. S. Saito, wife of the Japanese Ambassador. Mrs. K. Komuro, wife of the Japanese Consul-General. Mrs. K. Kato, Lady-in-waiting. Brigadier G. Peters and Miss A. Bowler, from the Premier's Department accompanied the party.

from near and far

SUSAN WHITE grew up on her parents' sheep property "Ballarch", near Wallinduc, in the Western District of Victoria, which runs pure merinos. The second in a family of four daughters, Sue likes outdoor life and enjoyed helping run the farm — riding, mustering and other jobs. Plans to seek mothercraft nursing with private families. Would like to travel and hopes first to work her way round Australia with another Tweddle mothercraft nurse.

MARGARET HALABUT, a petite blonde, is third in a family of four. Margaret's home is in Albion. Her mother, who is from White Russia (now re-named Byelorussian Soviet Socialist Republic), left that part of the U.S.S.R. during the last World War. Margaret attended Marian College in Sunshine West. She likes working with children and babies. May practice as a mothercraft nurse in a maternity hospital. Would also like to travel on a working holiday.

SUSAN KNEAL says nursing is in the blood. Her father is a doctor and her mother was a nurse. She wants to work with children. Susan, eldest in a family of three. Her home is in Toorak and she attended Melbourne C. of E. Girls' Grammar School.

Sue intended to seek mothercraft nursing with a private family. Hopes to save enough to travel overseas, or to go overseas with a family in her professional capacity.

SISTER MARIA LUKE was born at Werribee and educated at the Presentation Convent, Gardenvale. Taught in primary schools, then visited the British Isles and Europe. On her return turned to nursing and completed three years general training at St. Vincent's Hospital, Melbourne. Entered the Sisters of Charity Convent at Wahroonga, N.S.W., as a novitiate in 1963, and in January, 1966, made her vows.

Play time on the lawn laid down this year

Sister Mary Luke went to St. Vincent's Hospital, Sydney, where as a nun she was a ward sister for a year. Returning to Melbourne again, in 1967, Sister completed a year's course in pediatrics at the Royal Children's Hospital. Then following a year in the children's ward at St. Vincent's, Melbourne, the training in midwifery at St. Vincent's Maternity Hospital, Melbourne, followed. In March this year, Sister Maria Luke came to Tweddle for four months infant welfare training and has returned as a triple certificated sister to the new St. Vincent's Hospital, Private Hospital, Melbourne, maternity sector, as midwifery supervisor.

SISTER VALMA BLANCHE STEVENS of Clunes, Victoria, worked in Canada for over five years, first at an Indian Reservation in Squamish. Squamish is a logging town, about 20 miles north of Vancouver.

Sister Stevens said that in Canada the hospitals have wonderful equipment, but the nursing is rather impersonal. Majority of patients came from Indian reservation of Mt. Curry, approximately 20 miles from Squamish.

She came to Tweddle on the recommendation of a friend and found the infant welfare course most interesting. Thinks the course should be longer; that there is too much to cover in four months.

She would like to have charge of an Infant Welfare Centre somewhere in the Ballarat district.

SISTER ERIN McKINLEY whose home is on a mixed farming property nine miles from Maryborough, Victoria, has worked at the Maryborough District Hospital during the past five years.

She and Sister Stevens are friends and arranged to come together at Tweddle.

Sister McKinley has worked in midwifery at Brisbane, Ararat, Maryborough (Victoria) and at Yeppoon near Rockhampton (Queensland).

Plans within the next year or two, to apply for an appointment at the Infant Welfare Centre in Maryborough (Victoria), or elsewhere in the country.
