President's Foreword

I would like to express my gratitude to the Chairman and members of the Management and Finance Committee, Members of Council and Auxiliaries and the many people who have helped Tweddle during the year.

We are all especially grateful to Matron Ballard and her staff, not only for their professional skill, but also for the atmosphere of caring and happiness they have created. This same atmosphere has been created by the Director of the Dame Jacobena Angliss Pre-School Centre, Mrs. Heather Tavener, and we thank her most sincerely.

We are also grateful to Sister Brenda Smith, who carried out the duties of Acting Matron during Miss Ballard's absence on leave.

These are not easy times for any hospital nor for those concerned with child welfare. I feel sure that if we all work together, we shall continue to give many little children a better and healthier start in life.

Betty Burton

Dame Mary Herring, D.B.E., C.St.J.

We were all saddened to hear of the death of our Patroness, Dame Mary Herring, on 26th October, 1981.

Dame Mary had a very high regard of our late President, Dame Jacobena Angliss, D.B.E., and Dame Jacobena like all of us at Tweddle, appreciated the support and interest Dame Mary gave to our Hospital.

Dame Mary's active support for many organisations concerned with the welfare of children is a great loss to the people of Victoria.

Twins James and Jason enjoy a slide ride at Tweddle.

Happily at play

Helen enjoys a tricycle ride.

Twins Chrisie and Steven play in one of Tweddle's interesting play things.

Staff Nurse Anne Pabst with Israel, who came to Tweddle a weakly mite of 3 lbs. and left 4 months later a healthy 10 pounder.

Bright as buttons — engaging twins Jacki and Robert.

 - (ii) they took reasonable steps to ascertain that any current assets of the company other than debtors referred to above were shown in the accounting records of the company at a value which they might be expected to realise in the ordinary course of business, and at the date of this report they are not aware of any circumstances which would render the values attributed to current assets misleading.

- (e) The results of the company's operations in the year ended 30 June 1981 were not, in the opinion of the Councillors substantially affected by any item, transaction, or event of a material and unusual nature.
- (f) Since 30 June 1981 to date of this report there has not arisen any item, or transaction of a material and unusual nature likely, in the opinion of the Councillors, to affect substantially the results of the operation of the company for the next succeeding financial year.

This report is made in accordance with a resolution of the Councillors.

On behalf of the Members of the Council

W. K. WILSON, Councillor.
J. GLYN WHITE, Councillor.

Dated this 5th day of November, 1981.

Report of Director of Nursing

The past year has been one filled with change and interest for both the staff and myself.

Now more than ever before the need is greater for parents to have the support and guidance of sympathetic and caring people when seeking help for themselves and their children.

The stress today upon many families in the community is extremely great.

Mothers continue to come with their babies to establish breast feeding.

Babies and toddlers are admitted for emotional and dietetic problems.

Children are admitted as boarders if there is an emergency in the family.

FOOTSCRAY INSTITUTE OF TECHNOLOGY, CHILD CARE STUDIES — APPLIED SOCIAL SCIENCE:

Throughout the last year five groups of students have come to Tweddle for their practical experience with mothers' babies and toddlers. The students have been most eager to learn all they can during their work experience at the hospital.

The students also spent time at the Jacobena Angliss Kindergarten. Nurse educators from Footscray Institute visit the students once a week to observe the students.

STUDENTS UNDERTAKING THE CONVERSION COURSE IN CHILD CARE STUDIES — APPLIED SOCIAL SCIENCE:

Miss Margaret Hughes and Miss Jennifer Batten — M/C Graduates of this hospital have been granted time to do this course part-time.

MISS ELAINE WEST:

Elaine resigned from the Nursing Staff of Tweddle on 26th February, 1981. After five years "excellent service", to take up a relieving nursing position at a missionary hospital in Banjul, Gambia, West Africa.

We were indeed sorry to lose Elaine from our staff, but trust that she will find her work amongst the people in Banjul very interesting and worthwhile.

THE INTERNATIONAL YEAR FOR THE HANDICAPPED:

Mrs. B. Burton and Miss M. Ballard attended the A.W.C.H. Conference in Canberra on 2nd, 3rd and 4th April, 1981. Many interesting papers were presented at this conference.

A large number of parents and people involved with the care and wellbeing of children attended.

H.B.A. SYMPOSIUM: "TOWARDS A SLIMMER AUSTRALIA":

Miss M. Beckett and Mrs. N. Clark attended on 9th and 10 April, 1981, and found the papers that were presented most interesting.

NATIONAL SAFETY CONFERENCE:

Miss K. Stewart and Mrs. S. Vida (Staff Mothercraft Nurses) attended on 26th February, 1981, and found the conference well worthwhile.

NATIONAL COUNCIL OF WOMEN:

Mrs. B. Burton and Miss M. Ballard have attended meetings each month throughout the year.

Mrs. Burton is International Secretary as well as being a representative of Tweddle.

WATTLE DAY FOR CHILDREN:

Once again members of the Nursing Staff participated in selling badges in Footscray on this special day — with a very pleasing result.

OVERSEAS TOUR:

Miss M. Ballard visited the Nestle Co. in Vevey whilst overseas.

A most profitable time was spent visiting research and control laboratories.

Discussions with Mr. E. Dickinson, Dr. Fookes, Mr. Wiese and Mr. Finot regarding infant feedings and dietary problems were very beneficial.

Miss Ballard spent profitable discussions with the following — Dr. Margaret Langton (Paediatrician — Edinburgh, with Public Health Department) and Dr. Maria Sailor (Physician — Lucerne).

Both doctors confirmed that they were experiencing similar problems to our own concerning families in their countries.

DONATIONS:

We are once again most grateful to so many people for generous donations of money, clothes, food, fruit, flowers, toys and furniture for our mothers, children and staff — to the following we say a big "thank you".

Mrs. M. Angliss and Members of Central Auxiliary;

Miss Forsythe-Grant and Members of Plunket Auxiliary;

Many milk companies;

Staff Members of the Hospital;

Many generous people in City and country;
 Areas who make Garments for the children;
 Church organizations in Footscray;
 Girl Guides, Brownies, the Soroptimist International
 of Cut Paw Paw, Navy wives;
 Santa Claus and the "clown" on Christmas Day.

THE LATE DAME JACOBENA ANGLISS:

The Nursing Staff and I wish to place on record our very special tribute to the late Dame Jacobena Angliss.

Dame Jacobena was one of those extraordinarily, rare people who enhanced the lives of many others through her own sparkling enthusiasm and love.

She taught us so much, and is greatly missed by all of us.

MRS. B. BURTON:

May I express to Mrs. Burton our grateful thanks for the quiet and efficient guidance she has shown to us over this last year.

We do appreciate her leadership very much.

May I express my personal thanks to the following people for their staunch and devoted support throughout a very busy and difficult year.

The pre-school centre has been operating this year once again with its full quota of 23 students. Approximately 50 per cent are from migrant families, predominantly Greek, but with a mixture of Italian, Yugoslav and Turkish children, and one small Filipino.

Apart from the normal daily activities — painting and drawing, puzzles and manipulative activities, library corner, outdoor play — Mrs. Tavener introduced new activities each week, such as clay moulding, play dough, etc. In addition, she has incorporated new topics into each week's programme; for instance, elementary topics such as experiments with water, use of the senses, growth of plants. The children have talked about these topics and then, for instance, planted their own watercress, parsley, etc.

There have also been several excursions, with some of the mothers accompanying the children to help supervise. The children went to the Zoo at the end of last year, and this year have visited the Footscray Fire Station and the Post Office, the Footscray Library, and have been for a trip on a London double-decker bus. Mrs. Tavener also invited one of the local police officers to talk to the children — a most successful event.

Above. Built by Group 3 final year carpentry and joinery student apprentices at the Footscray Technical College a 30 metres wooden train with carriages is giving the kindergarten children great joy.

Below. The apprentices (Roger Penny instructor) erected the train and joined the kiddies on the first "ride". The apprentices also constructed a sand pit which is another joy to the youngsters.
