The Council is also grateful for the work of our Director of Nursing, Miss M. Ballard, and her staff and to the Director of the Pre-School Centre Miss Annette Branch. We thank them most sincerely for their professional skills, and the caring, happy atmosphere they have created.

Once again we thank our donors who by their generosity have enabled us to provide better equipment and conditions for our small patients.

Betty Burton

Mrs. Betty Burton,

O.B.E., B.A., Dip.Ed.

Mrs. Burton was elected President of the Tweddle Hospital in 1980, after the death of Dame Jacobena Angliss D.B.E. who was President from 1940-80.

Mrs. Burton is the daughter of Dr. and Mrs. John Adamson both of whom were associated with the early days of the Hospital. Her mother was a foundation member of Central Auxiliary.

Mrs. Burton was a member of the Southern Auxiliary, then of the Women's Group, both of which raised money for the Hospital and has been a member of the Council since 1965.

She is a former National President of the Y.W.C.A. of Australia and Past President of the Melbourne Y.W.C.A. and was a member of the World Y.W.C.A. Council from 1966-73. She was an Executive member of the Good Neighbour Council of Victoria from 1968-76 and a member of the Commonwealth Immigration Advisory Council from 1968-71.

Mrs. Burton has been a member of the Executive of the National Council of Women of Victoria since 1973 and its Honorary International Secretary since 1976. She has also been a member of the UNICEF Committee of Victoria since 1978.

Mrs. Diana Gibson, Patroness

At the June Council meeting, Mrs. Diana Gibson was unanimously elected Patroness of the Tweddle Baby Hospital. The election of Mrs. Gibson continues the association of the Angliss family with the Hospital since its foundation in 1920.

The Mother and Baby Cottages were named in memory of her mother, Eirene Angliss, and the Pre-School Centre after her grandmother, Dame Jacobena Angliss, D.B.E.

Mrs. Gibson has been a generous donor to the Hospital for many years and has taken a great interest in the new developments.

We look forward with great pleasure to her closer association with the Hospital.

23 Years Devoted Service

Mrs. Joan McDonald resigned from Tweddle on 10th September 1982 after 23 years of devoted service as our Administrative Officer.

Joan was at all times a diligent and enthusiastic member of staff.

We thank her for her interest in the hospital over a long period and wish her well for the future in whatever she may do.

COVER: Bath time is fun.

Report of Director of Nursing

It is with pleasure that I write this report for the Year Ending 30th June, 1982.

In view of the many difficulties today, in maintaining services for mothers, babies and toddlers who have a special need, Tweddle has been able to continue its role in the community, because of so many generous and interested people.

Many families are requesting assistance of an urgent nature e.g. lack of family support in emergencies. We are seeing people from many different nationalities e.g. Greek, Italian, Israelian, Turkish, Maltese, Vietnamese as well as our own country.

The support and guidance that we have received from the following professional people has been most heart-warming.

Paediatricians, Obstetricians, Psychiatrists, Psychologists, Infant Welfare Sisters, District Nurses, Social Workers and Child Care Workers.

Mothers continue to come to Tweddle with their babies to establish breast feeding. Babies and toddlers are admitted for emotional and dietetic reasons. Children are admitted as boarders if there is an emergency in the family.

Students Coming to Tweddle to Gain Work Experience.

We have had twelve students who have come to obtain work experience with young children in the last year. The students so far have been most enthusiastic and eager to learn all they can.

The following are the schools that have sent students to Tweddle—

Footscray Girls' School.
Marian College.
Maribyrnong High School.
Ruyton Girls' School.
Sunshine High School.
Werribee High School.

Footscray Institute of Technology — Child Care Studies Applied Social Science

Five more groups of students have come to Tweddle for practical experience with mothers, babies and toddlers. The

students have proved to be most interested in the care of those seeking guidance in matters relating to Mothercraft and Child Care.

Annual Meeting of Tweddle Baby Hospital 9th December, 1981.

This meeting was well attended and proved to be a most successful one. All present enjoyed a delicious luncheon after the meeting. This was most generously donated by Mrs. Adrian Gibson. The Central Auxiliary presented a very generous donation to the Hospital.

The Plunket Association.

On 27-11-81 the "Old Girls" who had trained in Infant Welfare at Tweddle held their Christmas dinner at the hospital.

This was a very happy evening and a generous donation was received for Tweddle.

Soroptimist International of Cut Paw Paw

On 15-12-81 the Soroptimist Club held their Christmas Dinner at the Hospital. All members enjoyed a delightful evening. A very generous donation was received from the club.

Christmas Day, 1981.

The parents, children, staff and I enjoyed yet another joyful Christmas, made possible by the kindness and generosity of so many people.

"Santa Claus" and "The Clown" visited for their 15th year in a row — bringing toys, cheer and a most generous donation of money for the Hospital.

Many meetings have been attended over the last year.

The following are some organizations that we were involved with as representatives or guest speakers over the year.

National Council of Women.
The Technical Education Division.
Directors of Nursing Association,
Pan Pacific South East Asian Women's Association.

The Jacobena Angliss Pre-school Centre Third Annual Report

BUCKINGHAM PALACE

From Miss A. Beckwith-Smith

11 August 1982

Dear Matron,

The Prince and Princess of Wales have asked me to send you and the Staff and Children of the Tweddle Baby Hospital their sincere thanks for your good wishes, and for the charming knitted rabbit for Prince William. Thank you also for the interesting annual reports you sent.

Their Royal Highnesses are very touched by your kind thoughts and have asked me to thank everyone concerned most warmly.

Sincerely,

Anne Beckwith-Smith

Lady-in-Waiting

Matron M. Ballard.

The Pre-School Centre has been able to accept 23 of the 54 applicants for admission this year. As was the case at the time of our last annual report, approximately 50 per cent of the children are from migrant families.

Most of these are Greek, but there are also Italian, Yugoslav, Turkish, Filipino and Pakistani children. In spite of the variety of languages involved, there have been few communication problems and the children have settled in happily with each other.

During the course of the year, Mrs. Taverner, our first Directress, left the Pre-School Centre, first on Maternity Leave and then to take another part-time post. The position of Directress was filled by Miss Annette Branch in the interim period; and Miss Branch has now been offered the position on a permanent basis. Our thanks go to Mrs. Taverner for all her efforts in establishing the smooth running of the centre during its first few years, and our best wishes to her in her new position.

The pre-school's curriculum, under both Mrs. Taverner and Miss Branch, has been interesting and varied, and has been the subject of detailed planning by both Directresses. The children begin each year with what is for most of them the new experience of a 9 to 3 school situation; and first term was therefore planned around the social aspects of pre-school life, allowing the children to adjust to each other and to the new situation. There was also a great deal of emphasis on familiar activities, such as playing in the "home corner", and work about the house. Special topics were introduced gradually, and by second term the children were studying colours, number and counting, road safety and other related subjects. In addition, there have been regular daily or weekly activities, such as painting, cutting and woodwork. The librarian from the Footscray Library has visited once a month, bringing books for the children to borrow and take home; and the children visited the Library themselves during Children's Book Week.

New acquaintances and improvements this year have included musical instruments for the children, purchased with a \$200 grant from the Hospital Committee, and pinboards for displaying children's work. The musical instruments have proved a great success, and the pre-school centre is lucky in having in Miss Branch a person with a special interest in musical activities.

The pre-school's Mother's Club has been active over the past year. At the end of 1981, they purchased a hanging frame and swings for the centre. There have been regular coffee mornings held at school throughout the year; and recently the children have themselves begun preparing afternoon teas for their mothers.

With increasing costs, pre-school fees have had to be raised from \$5 per week for each child to \$6. For this sum, children attend the centre from 9 a.m. till 3 p.m., and are provided with a morning snack and a hot meal at lunch time.

VALE

Council members were sad to hear of the deaths of—

Mrs. Hilda Davis, a member of Central Auxiliary for 50 years and its Vice-President since 1957. She was a member of the Council since 1965 until her death in December, 1981.

Mrs. Edna Carpenter, also a member of the Central Auxiliary.

Mr. Keith Forge, a generous donor to the Hospital over many years.

Miss Myrtle Rawolle, who graduated from Tweddle in 1931. She was Infant Welfare Sister at Newport Baby Health Centre from 1937-1960 and was a foundation member of the Plunket Sister's Welfare Auxiliary and a member of the Hospital Council from 1970-1976.

We extend our sympathy to their families and are grateful for their constant support over a long period.
